

TIGER INFRASTRUCTURE PORTFOLIO COMPANY 11:11 SYSTEMS TO ACQUIRE GREEN CLOUD

- Accelerates M&A path bringing advanced cloud, security, and network solutions under a single automated platform
- Grows 11:11 Systems customer base with hundreds of MSPs reaching 2,000+ end customers
- Powers Green Cloud's national channel partner network with Managed Network Connectivity solutions

Fairfield, NJ, October 5, 2021 – [11:11 Systems](#), a managed infrastructure solutions provider, announced today that it has entered into a definitive agreement to acquire [Green Cloud Defense](#) (“Green Cloud”), one of the largest independent channel-only cloud Infrastructure-as-a-Service (IaaS) providers in the United States. The acquisition is expected to be final by the end of the year.

With Green Cloud, 11:11 Systems adds best-in-class cloud and security capabilities to its “Everything Connected” platform and portfolio – from infrastructure to disaster recovery to managed threat detection. In turn, 11:11 will now deliver its Managed Network Connectivity solutions to Green Cloud’s national channel partner network of 700+ Managed Service Providers, Value-Added Resellers, and IT consultants which serve 2,000+ businesses.

“We are at an inflection point in digital transformation,” says Brett Diamond, CEO, 11:11 Systems. *“Customers can achieve the greatest gains by leveraging the most powerful platform to deliver managed infrastructure and automation. Green Cloud provides the cloud and security solutions that will propel this advantage for our customers and partners.”*

Emil W. Henry, Jr., CEO of Tiger Infrastructure Partners, comments: *“With the addition of Green Cloud, 11:11 Systems is executing its strategy to deliver the first integrated, synchronized, and automated platform delivering managed infrastructure solutions across connectivity, cloud, and security services. Our participation in this project continues our partnership with Brett Diamond, and we look forward to supporting 11:11 Systems in building a best-in-class platform.”*

ABOUT TIGER INFRASTRUCTURE PARTNERS
